Projects:
- Database with Social Media Functionalities Full Stack Project
  - Front-end React.js, HTML, and CSS. Back-end: Node.js. Database: MongoDB
  - Utilizing APIs to receive already established data
- Inkwell: Blog site with interactive posts
  - Features: user registration and authentication, make posts for other users to comment and rate
  - Front-end React.js, CSS. Back-end: Node.js. Database: SQL. Authentication: JSON Web Token
  - AWS Elastic Beanstalk deployment
  - Deployment link: Inkwell

Skills:
- JavaScript, React.js, Node.js, MongoDB, SQL, HTML/CSS, Sass, some Python, basic cybersecurity
- OSHA (Occupational Safety and Health Administration) certified

Work Experience:

Trader Joe's
Crew February 2022 to Current
- Provide quality customer service
- Gain product knowledge on current, new, and upcoming products to share to customers
- Engaging in communication with the team with in store decisions
- Detail orientation and organization are shown both when the store is opened and closed
- Train new crew members showing the proper work culture
- Organized and wrote inventory

Stop and Shop
Front End Associate March 2021 to November 2021
- Assisted customers with check out duties (both traditional cashier and self checkout)
- Made sure transactions are done accurately and efficiently

Elgen Staffing
Talent Acquisition Specialist September 2019 to November 2019
- Managed a portfolio of 15 client companies who were looking to hire employees for open roles.
- Acted as a liaison between potential candidates and employers to communicate roles and responsibilities in the screening process.
- Cold called qualified candidates to see if they are interested in the role that needed to be filled
- Created a master spreadsheet to keep track of candidates contacted, interested, and getting interviews.
- Collaborated with internal teams (HR Manager) to understand the needs of the client for open roles.
- Helped create, revise, and edit candidates' resumes that needed to be fixed
- Utilized job search databases to find the most qualified candidates for the client
